I took off his overalls and sucked his cock. It was enjoyable but all the time I was thinking how much I wanted him inside me.

When he entered me, each stroke caused juice to squirt out of me. He fucked me long and hard until he shot his load inside me.

Chris dropped me off at home. I groped him as we said goodbye and made sure I got his number.

AA meeting

Last year I had been on a works do in my Santa outfit when I made my excuses and left - I really needed my boyfriend's cock up my cunt.

On the way home my car conked out and I pulled over to wait for an emergency vehicle. It was half an hour before anyone turned up and I'd already had my hands on my clit to keep me warm.

The recovery guy, Chris, told me to sit in his cab to keep warm. He looked pretty nice. So nice I thought I'd forget all about the car.

As I climbed up he gave me a push on my arse to help me up but I ended up face down on the leather seats.

My first fetish night

Recently, I paid my first visit to a fetish club. I've always thought I was open-minded and adventurous, but I was shocked by what I saw. I'd just expected people posing in rubber and leather, but this lot were into whips and chains too.

I was wearing red stilettos to go with my dress, and this guy asked could he please kiss them. I felt a bit out of my depth but he was gorgeous, so I said yes!

He was on his knees, head bobbing about as he did it, and I began to imagine him kissing me further up!

Given all the kinkiness that was openly going on, I thought maybe that wasn't too much to ask. I didn't say anything, just parted my

didn't fool him – I just wanted to be tied up and shagged senseless. I later found out this was just his standard chat-up – sometimes he got told "thanks but no thanks" or just "fuck off", but it got a good enough hit rate to make it worth it! Anyway, it's OK on the fetish scene to ask for

I didn't punish him for it – he was there with another woman who didn't mind him straying as long as it was just here and there. I've also found – now I've got a bit more experience – that being in charge all the time can be a bit exhausting.

I've always been quite feisty, so I didn't really appreciate it when this other bloke, Dan, came up to me and said I

I didn't say no outright, though, and we were sort of circling each other all night until I finally agreed to go home with him. He had his fingers up me all the cab ride home – though I had to be quiet while he chatted with the cabbie!

Any time I tried to speak he whispered in my ear that I was just his slut for the night, and the only time he wanted me opening my mouth was when I gave him head.

This talk was turning me on fucking big time! And when we got to his flat, he said I'd wasted enough of his time all ready, and could I get down on my knees.

I steamed in, grabbing for his cock, and he told me to wait – he'd tell me when he wanted to fuck my mouth. Then he got these gorgeous wrist-cuffs – leather lined with red velvet – and bound my hands behind my back.

We've all gone a bit crackers over Satine Spark! That's appropriate, as she's easy to pull and goes off with a bang. REAL WIFE SEX

Posh wife Polly thrills to the best sex of her life, and hubby hasn't got a clue. Until now, that is...

Polly,
Cheshire

My husband is a regular *Escort* reader and since finding his collection – so am I!

I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys your wife is going to look under the bed!), and feed my pretty pussy a fist full of my fingers over your gorgeous girls. I get wet and dirty reading other wives' filthy confessions, but as much as I love them I always climax on my very own secret.

What pushed me most to make my very own confession is the thought of my husband wanking over this confession! I have always been very flirty with guys and didn't intend to stop that after saying "I do" but I never in my wildest fantasies thought I'd be having the best sex of my life with someone else!

It all started when we moved in to our new home, miles away from friends and family. I soon found my days a bit empty and dull and with Tom out most of the time either working late "in

Huge hands grabbed my arse

the office" or following Chelsea FC, I decided to go out and find some fun for myself. Whacking on the tunes I washed my golden locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress, I looked pretty darn good – far too good to be stuck at home baking pies and running round with a duster and pinny on a Saturday night! As if! I admired my long legs in our outrageously huge gold etched hallway mirror. Knocking back vodka for some courage, I finished off the look with my patent black outrageously expensive six inch heels. Looking this hot – I knew I wouldn't have to wait long for some (much needed) male company.

It's funny how a tall, busty 20-something can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't mind and with the vodka kicking in I worked the room.

Within seconds I spotted this bloke, sat quietly in his work gear. My heart started to thump under my breast, as if I knew I had found

my Saturday night fuck ticket! He must have been a builder as he was all mucky, and had a pair of those boots on with the big bulging toecaps.

As I glided over to the bar, I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a man-sized smile and cheeky wink, I accepted his offer of a large vodka and we soon got chatting.

His strong working hands cupped his pint, but I just wanted them clawing off my clothes. He smelt of man. The scent of a hard day's work – raw sex, and as I nodded and agreed with his conversation I felt my pussy gently tingle with excitement in its little pool of juice.

After a couple of hours, he finally

I was gagging for some sexy fun

offered to drop me home. I think it was my shrinking dress that did the trick – I'd hitched it so high I might as well have taken the bloody thing off! Well, we soon got to where I wanted to be – my front door. I softly ran my hands over his stubbly strong face. The softness of my hand glided over his lips and he knew he had the green light.

Opening the door he gingerly stepped in, his muddy boots still leaving a trail of dirt on my cream carpet. If Tom had made that mess I would have had a fit, but with Jay it somehow turned me on and I followed the dirty trail straight into his big, strong workman's arms.

His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this as he, in one glorious swoop, swept me off my feet and headed straight to my brand new sofa.

As we fell into the sofa, the weight of him pushed me deep into the cushions. I

Cocktail whore

It's official – the difference between “bi-curious” and “bisexual” is a mojito plus a sea breeze. Cocktails, for anyone not in the know!

Kimberley, the barmaid at our local, stuck them on the drinks menu, because

to have Kimberley come out to me like this. She had a bedsit above the pub, and I ended up there with her after the shift.

It was small and a bit shabby, but really cosy, and we just started kissing the second we were inside it. It was slow and gentle at first, but as I got more turned on I started to get stuck in more

She started to scrabble at my clothes and so I let her strip me off. She grabbed the front of my knickers, sawing the crotch up against my clit. Then she helped me out of them.

I lay down on a rug, shoving a cushion under my arse to lift and tilt my snatch, then I splayed a little wider as she burrowed her face between my thighs.

She took a few exploratory licks at first, then started lapping away, focusing on my clit. She knew some clever little tricks too, fingering the sides of it as she sucked on the bud.

I couldn't keep my hands off my own naked body, helping her to get me off.

she was bored with pulling pints and pouring alcopops. She was well chuffed when I ordered them one quiet night, and we chatted while she mixed them and I drank them.

She offered to invent me

passionately. She moaned as I kissed her neck, then licked inside her ear.

She had an off-the-shoulder top on, no bra, so it was easy enough to pull out down so her tits were over the top of it.

Every muscle went tight, then four or five big shivers went through me, followed by another one when Kimberley crawled on top of me and gave me a pussy juice-flavoured snog.

While I recovered, she rummaged in a suitcase under her bed, finding a dildo. She put it inside her wet pussy, then asked me if I'd suck her tits as she screwed herself with it. I was happy to oblige – I didn't even have to move.

I lay back on the bed and she straddled me, the dildo jammed in her snatch and one hand on the base of it, rocking and grinding it as she leant forward. I got a mouthful of one tit, and tweaked the other nipple between my wet fingers, tasting the sweat beading up on her hot body

I welcomed a pussy juice-flavoured snog from her

my very own cocktail, on the house and I asked was she trying to get me pissed. She asked did she need to and I said no.

I've fucked a few women in my time and wasn't surprised

I wet her nipples with my tongue, then blew cold air on them this time, making them stick right up. She went so crazy when I sucked on them, I think I could have made her cum if I'd carried on.

£120

"Let me fuck you," I said and took over working it, making her cum one final time before pulling the dildo out and sticking it in myself – Kimberley said the juices we licked off it were the best cocktail of the night!

Muff driver

Nathan, my driving instructor, wasn't my usual type – he was a bit geeky and lanky looking.

He never quite rose to the bait until one day when he called round at my place to pick me up for a lesson, and I came out in a pair of high-heeled boots. He said, he

His cock reamed my deep cleavage

Plus he was wearing a wedding ring. Maybe it's because I never expected anything to happen between us that I didn't have any defences up against it!

He was chatty and a bit of a charmer – his way of getting a learner driver to feel relaxed and confident. But there was more to it than that – I found myself dressing a bit sexily for lessons, and flirting when he bantered with me.

Eventually, it was like we were playing chicken. He'd say he liked my top, I'd tell him, "No you don't, you like my nice little tits."

was sorry, but they weren't suitable for driving – they might stop me operating the pedals safely. Plus, he added, they'd probably give him a stiffy, too.

I went in to change them, and asked him in too. For the first time he knew he'd talked himself into all sorts of trouble. "I'll pay for the lesson, whatever," I told him.

That probably didn't help his conscience any, but it shut him up long enough for me to take advantage! I kissed him and then he kissed me right back, his tongue flicking in and out of my mouth.

He still looked a bit awkward when he came up for air, so I told him not to worry – he didn't have to fuck me, he could just fuck my tits.

I stripped naked apart from my horny boots, and let him have a suck on my nipples. Meanwhile I grabbed a handful of his cock, wanking him to total hardness. I wanted to lube up with my own pussy juices, but he didn't want his wife smelling my sexed-up snatch on him, so I used unperfumed body lotion instead!

It looked like cum splashes on my tits, and then I dropped down to my knees and started smothering his dick and balls in it too. While I took care of his tackle, he played with my globes, squashing them around his length. Then, when it was buried in

between them, he started fucking in and out.

He had a nice beefy cock, and the feel of it reaming my deep cleavage made the wait well worth it. Even so, we didn't have long.

I told him to let me know when he got close to cumming, but he didn't actually need to. His balls shrank right back and his dick looked like it was going to burst a split second before it reared up between my tits – and I decided to swallow the evidence.

I don't think it tipped over from tit-wank to blowjob – I just rested his tip on my bottom lip and let his hot liquid jizz squirt out down my throat.

I won't be satisfied until he's fucked me properly, though, and I'm going all out to make sure it happens soon!

Shellie, Stockton-on-Tees.

REAL WIFE SEX

Polly's story continued from page 19

knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly.

Lifting up his shirt, I unwrapped a body to die for. Unable to stop myself my hand wondered down and found his belt. Unhooking him, I teased myself by slowly unzipping him. As his cock sprang out in a bounce for freedom, my eyes widened in shock and unadulterated joy. I knew I had picked a winner and nine inches of thick cock was my trophy.

A surge of energy I had yet to experience before ripped through my body and I freed my self – I needed to get my

panties off and that cock in me. Ripping off my dress – what was left of it – I exposed my body. I felt tiny compared to him and desperate to push his cock deep in my cunt. Getting on my knees I gently took his cock in both hands and licked up and down his length. As my hands rubbed up and down on him my spit slipped around my wedding ring, but Tom was the last person on my mind.

As he reached the peak of his erec-

I spurted clear sweet cum

tion, I crawled up his body. I was so wet by now I was not interested in foreplay. Slipping myself down on him, my hands grabbing onto his broad hairy chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon, I tried to distract my self by thinking of my messed by carpet and dirty new sofa, but it only made me worse and I spurted out my clear sweet cum whilst letting out a forceful scream of pleasure. Biting my lips and giving him a sheepish giggle he laughed and

stood up, my legs wrapped round him. Starting right into my embarrassed eyes he said, "Let's do you again, and this time give me a chance to join in!"

Well, that almost gave me seconds on the spot, sexy and considerate – what more can a woman wish. I man-

aged to muster some self-control in my over-excited pussy!

Pushing me up against the wall, knocking down the picture painted by my mother-in-law, he begun to pound me like a pneumatic drill. I had never been taken like this and as his body slammed into me and with each fuck thrust I could feel myself losing control again. It was bloody amazing!

Sensing this, he picked up the pace before letting out a bellow as his cum shot up my pussy, giving me the green light to let lose again. My pussy burst like a broken pipe, juice spraying out of me with immense force and onto his warm creamy cock.

The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet! ☿

Virgin on the incredible

Losing my virginity was the best shag I've had. In fact, it's the only one so far!

I met a guy at college and took him back to my room. On the bed, he unzipped his trousers. I sort of fumbled my hand down, trying to act like this wasn't the first time I'd touched a cock. Then he put his hand over mine, showing me how he liked to be wanked.

As I felt drops of wetness ooze from the tip he pulled away, sliding down the couch and pulling my hotpants down as he went. I was staring at his bobbing cock and I felt my breathing get harder, faster, and my

inner muscles tighten, like I was going to wet myself. But it was just my pussy that got wet. He slid in two fingers,

I told him yes. He said, "Yes what? You wanna fuck?" I nodded "You wanna feel my cock inside that tight little cunt?"

He pulled out and shot on my bum

then three, then asked me was I ready for more.

I moaned and he just kept playing with my clit, making me feel more and more turned on. My pussy walls squeezed together, feeling so empty, and his cock looked so big and meaty.

I told him yes again and he positioned it just outside my hole. I breathed in deep then moaned again as I felt him inch in slowly, watching all the while to make sure I was OK.

He felt so good deep in my cunt. I just laid back, let him do his thing. He started thrusting,

Public convenience

My boyfriend and I have always loved fucking outdoors. I'm really submissive and

enjoy being forced to perform degrading acts.

One day we went to the park and headed to the public men's toilets.

My boyfriend had me wait in a cubicle with the door open. He crept into the next one. The toilet

was dirty, covered in graffiti and smelt of piss. After sitting on the toilet for 20 minutes, two men came in.

"Want some cock, do we?" said the taller of the two.

"Shit," I thought. "What am I doing here?"

"Take off your skirt and knickers," he

said. "Spread your arse cheeks."

"Not my arse," I thought. They forced me to finger my own back passage. I felt humiliated but so horny too, my head resting on the toilet.

The first cock pushed roughly up my arsehole. There was no lube so it hurt but it was fucking good too!

The other guy slapped my face, pinched my nipples and then started to piss all over my face and hair.

Now soaking wet I was pulled to the floor and a big cock thrust up my bald

dripping pussy.

This cock wasn't as big as the other, but it fucked me better. He pounded me vigorously until I came hard.

In all the degrading action I hadn't noticed that neither of them had worn a condom.

I realised this just as great gouts of spunk jetted up my

slamming his hips, spreading my thighs even wider. Then I started to move against him, fucking back, getting into how this felt.

I got a bit carried away, raking my nails down his back until he yelped, then I just hooked my legs over his and let him fucking me hard until he stiffened over me and I felt him cum. The spunk boiled up out of his balls and overflowed out of my pussy. When he finally pulled out and I put my hand down, it was like a

big wet pool. Then I moaned as I felt the soaking tip of his prick brush over my belly.

We fucked three times more times – he let me go on top and ride his cock, then when we woke up I got a shafting from behind.

It felt so good, his crotch slapping up against my arse and his cock driving in so deep. And this time he pulled out and shot his jizz on my bum cheeks, before pushing back in for a few last thrusts.

hole and the bloke fucking me gasped.

What on earth would my boyfriend say?

I lay on the floor full of

cum. My boyfriend sheepishly emerged from his cubicle. The blokes ordered him to lie down on the floor. Then they told me to squat

over his face.

"Look your bitch's cunt out!" they shouted. "Now her asshole!"

To my amazement he didn't protest but pushed his tongue right up my arsehole. "What whores we are," I thought. We never even knew their names.

Hooker piped

Hello lads! I'm a busty half Asian slut.

I've just turned single (yeah!) but I want to tell you a story about me and my ex-partner that will give you an idea of what you might be getting into with me.

My ex loved me dressing up – fishnets, high heels, uniforms, you name it.

and I kept eyeing up Alan's fit body and Crystal's wobbly cleavage.

At home things moved very fast. Crystal asked if she could suck my partner's dick. Next thing I knew her head was in my partner's lap and she was slurping hungrily on his dick.

I was going to say something but Lee got his fat cock out. When I see a cock I've just got to suck it, so soon I was licking and lavishing love

She was slurping on my partner's dick

One night I decided to dress up as a hooker for him. I wore my tight pink top, bright red lipstick and sexy stockings and suspenders.

We went out to a foam party at our local club. We got chatting amongst the bubbles to a couple.

Lee was tall, muscular and very sexy. His missus Crystal was a busty blonde whose tits were nearly as big as mine.

We invited them back to ours. We were all a bit tipsy

on his salty prick.

I could hear Crystal asking my partner for a fuck. She kindly obliged and I watched that curvy blonde bouncing up and down on my partner's cock while Lee fucked me doggy-style.

Lee shot his spunk all over my tits, covering them with scores of white lines. Crystal's pussy was wet with her juices and spunk.

It was a brilliant, sexy night. *April, Leics.*
